

## **CASA DE FLORES MOTORIZED CART POLICY**

Casa de Flores residents who demonstrate the ability to safely operate, store, and maintain motorized carts may own and operate a motorized cart within and outside of the building as long as they can operate safely.

Administration reserves the right to reassess such residents' abilities at any time and revoke permission for cart if necessary. Upkeep and maintenance of the motorized cart is the sole responsibility of the resident and his/her family as is any damage or injury caused by the use of. Motorized carts must be stored within the resident's apartment.

I understand and agree to all of the terms contained in this Motorized Cart Policy.
