Dear Resident,

As we begin the New Year we look to the future with excitement for the changes planned for Casa de Flores. With the start of our much anticipated renovations we will slowly begin to see, that with just a few aesthetic changes, how lovely our community can be. During these past few months I have also taken some time to update some of our policies and although these changes are minor it is still important to make sure you are all informed and up to date.

You will be receiving a copy of the newly updated policies along with an acknowledgment form that we would like to have signed and returned to Dawn Carr, at the reception desk, as soon as you can get by, or have your caregiver return it for you.

Please feel free to contact me or come see me if you have any questions or concerns. I don't believe these reflect any significant changes but I will be available should you need further explanation.

Thank you,  
Casa de Flores
