

Continued Renovations

As most of you are aware we have a lot of changes happening at a fast pace. Most of the feedback has been laced with excitement and approval. We are starting to see the improvements and how nicely they are impacting our residence. Of course we do have lots left to do and will continue to ask for your patience through this process. If you are not aware we will have a newly renovated downstairs laundry room as of Thursday April 12th with new washers and dryers. If you have not yet had a chance to see the renovations happening in our back patio/garden area, you should go take a peek.

The upstairs laundry room renovation will start next week on Monday April 16th. Installation of the new floors will begin upstairs within the next 3-4 weeks. We will provide you with more specific time frames as they become available. We will also see some major renovations beginning in the inner court yard and will also provide more specific dates and times as they are provided.

As always my door is open and I welcome any questions or concerns you have during this time.
