

Attention Residents of Rooms:

**201,203,205,207, 209, 211, 213**

There will be construction work starting the week of September 10, 2018 on your balconies. They will be replacing the lattice work. We apologize for the inconvenience this may cause. If you have any questions or concerns please let us know.

As always, we thank you for your understanding and patience during construction.
